Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — PRC Incorporated of McLean, Virginia, a wholly owned subsidiary of Litton Industries, Inc., is being awarded a \$23,639,365.00 indefinite delivery/indefinite quantity-type contract with cost-plus-fixed-fee pricing for research and development for command, control, communications and intelligence (C4I) software applications and databases. Specific efforts include engineering products related to C4I software applications and database or database management systems for current and new C4I systems. This will be a five-year contract with no options. The period of performance for this contract will be from July 10, 2000 to July 9, 2005. All work will be performed in San Diego. Contract funds will not expire at the end of the current fiscal year. This was a competitive acquisition. The solicitation was posted on the SPAWAR e-commerce web site at e-commerce.spawar.navy.mil. Six offers were received and five contracts were awarded. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-00-D-5074).
